

SC/ST CELL -POLICIES &PROCEDURES

The College's SC/ST Cell was instituted with the primary goal of empowering SC/ST students. This unit operates to actualize the institutional commitment to providing equal opportunities through tailored academic and non-academic initiatives aimed at uplifting this community. These efforts serve to mitigate the effects of social and economic disparities. Students are encouraged to engage with the cell to seek clarification on matters and have their grievances addressed effectively.

Objectives of the cell :

- To oversee the adherence to state and central government reservation policies during the admission process.
- To actively prevent any form of caste-based discrimination within our college.
- To inform SC/ST students about various scholarship programs offered by the State Government and UGC.
- To provide counseling and guidance to SC/ST students, assisting them in effectively managing academic and personal challenges during their college experience.
- To address any grievances raised by SC/ST students promptly and effectively.
- To improve the employability of SC/ST students by offering tailored career guidance and support.

Activities can be given :

- The Cell can provide guidelines to the office staff concerning the admission process for SC and ST students, as necessary.
- The Cell can provide discussions on various scholarships available to eligible students.
- Information regarding government and university schemes can be disseminated by the Cell.
- Encouragement can be provided to students to participate in skill development programs offered by the College.
- In addition to personal counseling, departments can offer remedial coaching to students.
- Advanced learners can be encouraged to assist weaker students in enhancing their academic performance.
