

Policy Statements

The following measures and criteria are taken to avail scholarships/freeships to deserving and meritorious students:

- Fee waiver is availed to the financially disadvantaged students.
- Scholarships are provided to the academically meritorious students and marginalized students.
- Scholarships/freeships are provided to the students who excel in fine arts, sports and other co-curricular and extracurricular activities at interzone/ university/ national/ international level.
- College provides scholarship from Central Government, State Government based on the merit and required criteria.
- For freeships the college have a policy to collaborate with alumni, faculty members, retired faculty, other philanthropist, non-government/ private agencies and organisation to expand the number of beneficiary students
- Students are sensitized or give proper orientation on different freeship and scholarship to avail governmental / nongovernmental endowments / scholarships.
- Avail scholarship to maximum number of students in the college .
- Freeships are defined to avail the benefit to both academically strong and academically weak students.
- The students who are intending to avail this facility have to submit their application to the head of the department (Application must include Bank details: Account Number, Account Name, Name of Bank & Branch Name, IFSC code).
- The head of the department based on the applicant's academic performance and the economic background scrutinize the application and the same is discussed in the department council.
- The recommendation of the department council is forwarded to the Principal by the Head of the department.
- The principal presents the same in the Freeship Advisory Committee meeting and the final approval/rejection of the same happens

Conclusion

MSTM Arts and Science College cultivates a dynamic learning environment where every student can flourish academically and personally. Reflecting this commitment, our scholarship program ensures educational access regardless of financial background. We empower deserving students to achieve their academic goals and become positive contributors to society. By awarding scholarships based on merit, financial need, and diverse talents, we celebrate academic excellence, promote inclusivity, and cultivate a supportive college community.
