

ANNUAL REPORT 2022-23

By the Grace of God Almighty, the 2022-23 academic year has concluded smoothly. MSTM College aspires to lead among educational institutions, fully dedicated to nurturing and fostering excellence. We consistently strive for exceptional performance in every endeavor to achieve the highest standards.

With great pleasure, we present the Annual Report of MSTM College for the academic year 2022-2023. MSTM College, governed by the Muhammed Ali Shihab Thangal Education and Charitable Trust, is an institution established by highly motivated intellectuals and scholars from the Muslim community, with Janab Panakkad Sayyed Ahmed Munavvarali Shihab Thangal as its esteemed chairman. Founded in 2013, the college is affiliated with the University of Calicut.

OUR VISION

To ignite young minds and foster their potential by means of true education and make them successful and suitable stakeholders of the society

OUR MISSION

To impart true education to every student sans barriers. We through our commitment and teamwork assure to kindle the knowledge, skills and attitude in students and make them capable of meeting the demands and expectations of the society.

The 2022-23 academic year began on June 1, 2022. On this day, regular classes commenced for all batches except for the first-year students, whose classes started in September 2022.

COURSES OFFERED

The college provides 12 affiliated programs, including BA in Social Work, BA in English, BSc in Physics, BSc in Chemistry, BSc in Mathematics, BSc in Microbiology, BSc in Food Science & Technology, BBA, B.Com in Computer Applications, B.Com in Travel & Tourism, M.Com in Finance, and MSc in Food Science & Technology.

STAFF & STUDENTS

The success of an educational institution hinges on its teachers and students. At MSTM College, we are proud to have faculties of highly qualified, knowledgeable, and of empathetic attitude teachers who are passionate about sharing their love for their subjects with students. Our faculty is always ready to adapt and innovate to meet new challenges and demands, aiming to bring out the best in their students. Creativity and innovation are key in pedagogy, and we constantly strive to integrate these elements. The greatest strengths of MSTM College are our dedicated staff and well-disciplined students. We have 59 teaching staff and 16 non-teaching staff, with a total student enrollment of 1187 across various subjects.

INFRASTRUCTURE FACILITIES

Classrooms: Our college boasts 30 well-equipped classrooms, each featuring a whiteboard, lecture stand, fans, lights, TV, and the necessary seating arrangements for students.

Seminar Hall: We have well-organized seminar halls with appropriate seating arrangements, IIP panels, and other necessary equipment.

Restrooms: We provide an adequate number of restrooms for female students.

Computer Lab: Our college has well-furnished computer labs with 24 computers available for student use.

Science Labs: We offer spacious and well-equipped labs for Physics, Chemistry, Microbiology, and Food Science & Technology. These labs provide students in the BSc Physics, BSc Chemistry, BSc Microbiology, BSc Food Science & Technology, and MSc Food Science & Technology programs with the proper and adequate exposure to experimental work.

Library: The college library is well-equipped, featuring a well-furnished hall and over 5,000 books on various subjects. In addition to these books, numerous periodicals, journals, and newspapers are available for students.

Playground: The college has a standard-sized playground for students' physical training.

PARENT TEACHER ASSOCIATION

Each department regularly conducts general body meetings with parents and teachers, during which new PTA members were nominated for the year 2022-23. Parents offer valuable feedback and suggestions to the teachers, who in turn share updates on academic progress and areas for improvement.

The PTA is a dedicated group of individuals working collaboratively for the students' betterment. We extend our gratitude and congratulations to them for their ongoing support and cooperation.

ACADEMIC PERFORMANCE

Competitions and academic activities promote a healthy and competitive spirit among students. These activities are held at classroom, college, and intercollegiate levels. Some examples include essay writing, patriotic song performances, elocution, speeches, letter writing, drawing, photography contests, and food festivals, among others.

EXAMINATION AND RESULTS

To assess students' educational progress, we conducted various examinations, seminar presentations, assignments, and project evaluations. After each model examination, PTA meetings were held, where class teachers met with parents and students individually to discuss strategies for improving results. Each department organized motivational classes, seminars, and training programs tailored to the students' needs. Our students achieved excellent results in the University examinations.

ACADEMIC PERFORMANCE OF STUDENTS

The college achieves good results in university examinations. I would like to extend my congratulations to the students who will be receiving awards for their academic excellence.

COURSE	STUDENT NAME
BA English	Aneena .M
B Com Computer Application	Fathima Raeasa
B Com Travel & Tourism	Fathima Shanifa M
BSc Physics	Fathima Sona C
BSc Mathematics	Nahala
BSc Food Science & Technology	Nihal Jebin
BBA	Sruthi T
M Com Finance	Arifa M
MSc Food Science & Technology	Fahmitha.A

INAUGURATION OF PALLIATIVE CARE ORIENTATION AND SIP UNIT

On October 19, 2022, MSTM College, Perinthalmanna, in collaboration with Pattikkad Palliative Care, inaugurated a Palliative Care Orientation and SIP (Student's Initiative in Palliative) unit. This initiative aims to instill a sense of social responsibility and enhance students' sense of self-worth. A unique Commerce club was started by the students of Commerce department in the year 2022. Students from all the sections are involved in the activities of the club. The club members designed and organized various programmes to entire students of the department. The Commerce club works with a clear objective of equipping the students with the knowledge of commerce and business. It is a platform for exchange of theoretical concepts combined with practical exposure. This year the Club organized:

1. An Awareness Session on Exchange Facility for Notes & Coins and Note Refund Rules, 2009 on 3rd march 2023
2. Streaming of BUDGET 2023 & post- budget discussion by students on 03 February 2023- for PG students

15. COMMERCE ALUMNI MEET

B.COM (2016-19) Alumni meet was held on 18th December 2022. Around 17 alumni actively participated in the meet. After the official programme, everyone shared their thoughts and memories. On the same day Commerce Alumni Interaction Cell proposed to widen its horizon and planned for further programmes to strengthen its functioning.

2. PG DEPARTMENT OF FOOD SCIENCE & TECHNOLOGY

1. Quiz Competition on World Food Safety Day (07-06-2022) On June 7, 2022, a quiz competition was conducted to mark World Food Safety Day. The event aimed to raise awareness about the importance of food safety and encourage students to enhance their knowledge on the subject. Participants engaged enthusiastically, showcasing their understanding of various food safety practices and regulations.

2. Skill Development Programme (09-06-2022) A Skill Development Programme was held on June 9, 2022, focusing on equipping students with essential skills for their professional growth. The programme included workshops and interactive sessions led by industry experts, providing students with practical knowledge and hands-on experience in their respective fields.

3. Workshop on Elementary Engineering Drawing (16-07-2022) On July 16, 2022, Sajna Mol from MES Mampad College conducted a workshop on elementary engineering drawing. This workshop aimed to introduce students to the basics of engineering drawing, enhancing their technical drawing skills and understanding of engineering concepts through practical exercises and detailed instructions.

4. World Chocolate Day Celebration (07-07-2023) The college celebrated World Chocolate Day on July 7, 2023. The event included various activities such as chocolate tasting, chocolate-making workshops, and a discussion on the history and cultural significance of chocolate. Students participated in creative contests and enjoyed the delicious treats, making the celebration both educational and enjoyable.

5. Inter-College Meet: Food Fest (06-10-2022) An inter-college meet featuring a food fest was held on October 6, 2022. Minu, the Food Safety Officer from Mankada, oversaw the event, which included seminars, exhibitions, and culinary competitions. The fest provided a platform for students to showcase their culinary talents, share knowledge on food safety, and explore diverse food cultures.

6. Student Induction Programme (12-10-2022) A Student Induction Programme took place on October 12, 2022, to welcome new students to the college. The programme included orientation sessions, campus tours, and interactions with faculty members. The aim was to familiarize new students with the college environment, academic expectations, and available resources to ensure a smooth transition into their academic journey.

7. KEFcone: Zonal Conference (03-11-2022) On November 3, 2022, a zonal conference named KEFcone was organized in association with the Department of Food Technology, led by Team KEFTA. The conference featured presentations, discussions, and networking opportunities with professionals in the field of food technology. The event aimed to foster knowledge exchange and collaboration among participants.

8. Association Inauguration and Seminar Presentation The college association was inaugurated by Mr. Murshid A, Junior Research Officer at the Regional Analytical Laboratory in Calicut. The event included a seminar where Mr. Murshid shared insights on the latest analytical techniques and their applications in various fields. The seminar provided valuable information to students and encouraged them to explore new research opportunities.

3. DEPARTMENT OF MICROBIOLOGY

1. Inter-Departmental Quiz Competition on International Microorganism Day (16-09-2022) On September 16, 2022, an inter-departmental quiz competition was held to commemorate International Microorganism Day. The event aimed to enhance students' understanding of microorganisms and their roles in various fields. Participants from different departments competed enthusiastically, showcasing their knowledge about the microscopic world. The quiz fostered a spirit of healthy competition and interdisciplinary learning.

2. Student Induction Program (30-09-2022) A Student Induction Program was conducted on September 30, 2022, to welcome and orient new students to the college. The program included sessions on academic policies, campus facilities, and extracurricular opportunities. Faculty members and senior students guided the newcomers, providing them with essential information and tips to navigate their academic journey effectively. The induction program helped new students acclimate to the college environment and feel more connected to the community.

3. Seminar: Microbiology in Everyday Life (07-03-2023) On March 7, 2023, a seminar titled "Microbiology in Everyday Life" was presented by Dr. Naveen Mohan. The seminar highlighted the significance of microbiology in daily activities and various industries. Dr. Mohan discussed how microorganisms impact health, food production, and environmental processes. The session was informative and engaging, providing students with a deeper appreciation of microbiology's role in everyday life.

4. Oral Presentation Competition on National Science Day (28-02-2023) The Department of Physics organized an oral presentation competition on February 28, 2023, in celebration of National Science Day. The theme of the competition was "Science in Daily Life." Students from various departments presented their research and ideas on how scientific principles are applied in everyday situations. The competition encouraged students to think critically and communicate their scientific knowledge effectively.

5. Certificate Course: Fundamentals of Laboratory Techniques (01-10-2022 to 25-02-2023) The Department of offered a certificate course on the Fundamentals of Laboratory Techniques from October 1, 2022, to February 25, 2023. The course aimed to equip students with essential laboratory skills and techniques. Through a combination of theoretical lessons and hands-on practice, participants learned about proper lab protocols, equipment handling, and experimental procedures. Upon completion, students received certificates recognizing their proficiency in laboratory techniques, enhancing their practical skills and employability.

4. DEPARTMENT OF MATHEMATICS

1. NATIONAL STATISTICS DAY CELEBRATION

Department of mathematics celebrated National Statistics Day on 29/6/2022. The program was inaugurated by Mr. Muhammed Niyas, Assistant professor, Department of Mathematics. As part of the celebration, department conducted a quiz competition and paper presentation.

2. TWIST AND TURN RUBIK'S CUBE SOLVING COMPETITION

Department of Mathematics conducted Rubik's cube solving competition on 10/8/2022. The program was inaugurated by Mr. Mohammed Shabeer, HOD, Department of Mathematics.

3. "A BEAUTIFUL MIND ": FILM SHOW Department of Mathematics conducted a film show on 22/9/22 .

4. STUDENTS INDUCTION PROGRAM

Department of Mathematics conducted induction program for the first students on 13/10/2022 .The program was inaugurated by Dr. Safeer A , Principal ,MSTM College.

5. CAMPUS PLACEMENT INTERVIEW

Department of Mathematics conducted a campus placement interview for abacus and Vedic teacher post in association with Qiqwin Solutions PVT LTD on 17/8/2022. The program was inaugurated by Dr. Safeer A, Principal, MSTM College.

6. FIBANOCCHI DAY CELEBRATION

Department of Mathematics conducted poster campaign of Fibonacci day on 23/11/2022 .

Explore the world with us: Field trip Department of Mathematics conducted field trip for last year students on 20/12/2022. Trivandrum and Kanyakumari were the destination points. The trip was for 3 days.

8. PI DAY CELEBRATION

Department of Mathematics conducted PI day celebration on 14/3/2022. The program was inaugurated by Dr. Safeer A , Principal ,MSTM College. Paper presentation and quick math challenge were there for students.

9. VRONZGIAN: Mathematics association inauguration

Department of Mathematics conducted maths association inauguration on 01/3/2023. The chief guest was Ms. Haneena Sherin, Vedic Mathematics trainer.

10. MORE INFO IV: Magazine release

Department of Mathematics conducted mathematics magazine release on 18/3/2023. The chief guest was Mr. Jamsheel Aboobacker, HOD, Journalism and Mass communication Department, SAFI College Vazhayoor.

11. ROCK AND POP: Farewell party

Department of Mathematics conducted fare well party "rock and pop" for last year

students. The program was inaugurated by Mr. Mohammed Shabeer, HOD, Department of Mathematics.

12. Certificate / value added course : 1. fundamentals of geogebra and python A certificate course was offered by the department from 03/12/2022 to 25/02/2023

2. office automation and tally - A certificate course was offered by the department from 23/07/2022 to 11/10/2022

5. DEPARTMENT OF ENGLISH

1. As a part of Reading Day Celebration Dept. of English organized an Interdepartmental Quiz competition on 20th June 2022.
2. In the context of 75th Independence Day, the Dept. of English organized a programme on 12th August 2022.

PROGRAMMES

An exhibition on Cultural Diversity.

COMPETITIONS

Collage making- India Mera Bharath Mahaan.

Thirang lucky draw.

3. Dept. of English in association with IQAC organized Meet the Author on 14th september, 2022. Mujeeb Jaihoon, an author and activist was the chief guest. He had a talk with the students.
4. English Department Association was inaugurated on 6th March, 2023. Rihas Pulamantole, Asst. Professor, GEMS Arts and Science College Orator and Communication Trainer) inaugurated the association. A seminar was also organized on the topic How to Approach Literature
5. Elysium, a literary club under the department, organized a calligraphy contest based on the languages English and Arabic on 20th March 2023
6. Department of English celebrated world poetry day – conducted intercollegiate online poetry competition .
7. Certificate / value added course : 1. Personalizing English education – A certificate course was offered by the department from 02/07/2020 to 13/08/2022

2. Content writing for graduates - A certificate course was offered by the department from 07/01/2023 to 11/02/2023

6. DEPARTMENT OF PHYSICS

1. Luminescent Materials in Recent Trends

Department of physics conducted a seminar on the topic **Luminescent Materials in Recent Trends** Dated on February 17, 2023. Mr. Riyas K M , was the Resource Person. He discussed recent advancements in luminescent materials, including new phosphorescent materials, quantum dots, and OLEDs, highlighting their applications in display technologies, medical diagnostics, and security systems.

2. Scope of Physics in Foreign Education

Department of physics conducted a seminar on the topic Scope of Physics in Foreign Education dated on July 2, 2023. Miss Athulya, was the resource person. She provided insights into pursuing physics education abroad, covering top universities, international research opportunities, and career prospects. Practical advice on the application process was also given to help students succeed in their educational endeavors.

3. Physics Revealing Nature's Inventions in Our Life

Department of physics conducted a seminar on the topic Physics Revealing Nature's Inventions in Our Life dated on August 8, 2023. Mr. Mohammed Aslam was the resource person. He explored how natural phenomena inspire technological innovations through bio mimicry, discussing examples like butterfly wings and fish hydrodynamics. The seminar also covered how fundamental physics principles are observed in nature and applied in technology.

Extension activity

The Department of Physics, in collaboration with the Kerala State Electricity Board (KSEB), successfully conducted an Electrical Safety Awareness Program on November 22, 2023. The event aimed to educate students and staff about the crucial aspects of electrical safety, emphasizing the prevention of electrical accidents and promoting safe practices.

Certificate / value added course offered by the department : NANOMATERIAL & APPLICATIONS from 6/11/2022 to 11/12/2022

7. DEPARTMENT OF CHEMISTRY

1. ROSETTE - COLLAGE MAKING COMPETITION : Department of chemistry in association with IQAC and department of physics organized a collage making competition on 20th July 2022 (International Moon Day) .

DISCIPLINE AND VALUES

Our college upholds a rigorous academic environment while nurturing discipline and instilling strong values under the leadership of department heads. We offer personalized counseling and guidance tailored to meet each student's individual requirements and aspirations

CO- CURRICULAR AND EXTRA CURRICULAR ACTIVITIES

Every part of college life plays a big role in a student's growth. Co-curricular activities are really important because they help students learn in different ways. Through these activities, we aim to improve students' social skills, thinking abilities, values, personality, and how they come across to others.

- Anti-Ragging Team: Our college takes ragging very seriously, and our team works actively to stop it.
- Anti-Drug Team: We've set up a team to educate students about drugs, and they've held various sessions to raise awareness.

A WORD OF THANKS

I am truly grateful for the opportunity to extend my heartfelt appreciation to everyone who has contributed their valuable support and guidance towards the successful operation of our institution. I would like to express my sincere gratitude to the dedicated teaching and non-teaching staff of MSTM College for their unwavering commitment and service.

I take this moment to express my gratitude to all the students, parents, benefactors, and well-wishers for their cooperation in ensuring the smooth functioning of our institution.

THANK YOU ALL.
