VISION

To ignite young minds and foster their potential by means of true education and make them successful and sustainable stakeholders of the Society.

MISSION

To impart true education to every student sans barriers. We, through our commitment and teamwork assure to kindle the knowledge, skills and attitudes of students and make them capable of meeting the demands and expectations of the society.

Let me welcome you to our Fold !

As we welcome you, the future leaders and productive citizens of the world, I would like to stress our mission statement of grooming young minds and hearts as the pillar of advancement of a nation and hope for the future. Our vision is based on hard work, open communication, a strong emphasis on teamwork and a high level of responsibility. This visionary culture allows and emphasizes our wards not only to adopt the present-day challenges but also individual responsibilities to the society and our nation at large. Knowledge is gathered from learning and education, while most say that wisdom is gathered from day-to-day experiences and is a state of being wise. We create not the future but we craft you for the future.

As the chairman of this institution, I anticipate the full participation and cooperation of the students and parents to make it possible for us to transform those dreams into reality. And if there is any assistance that you might need, may it be personal or professional, I shall always be willing to hear from you. Wish you all the best!

Sincerely yours,

Sayyid Munavvarali Shihab Thangal Panakkad

MSTM College, Poopalam has been functioning since 2013 and carries an indelible presence among the self-financing colleges of Kerala. The college meets the academic expectations of the students and we always encourage them to excel in all activities including curricular as well as extracurricular. I feel immense pleasure to serve as the principal of this institution and to be a part of progressive development. Our institution offers courses that enable the students to attain recognitions including national and international levels. With the aid of various audio-visual technologies, we make our students to experience learning as a process that involves the production of knowledge and joy simultaneously.

Each student's potential is gauged and they are encouraged to bag exemplary rewards in arts, sports and games. The institution has an attractive infrastructure with spacious classrooms, an enriching library and well-equipped laboratories. The teachers propel the students to contribute not only to their individual growth but to welfare of the society also. It provides a greater sense of contentment to work with a team heading towards excellence.

Sincerely yours,
